MaxClimate from GT Radial, is an All-Weather tire capable of handling inclement weather every season of the year. Meeting the industry standard "Three Peak Mountain Snowflake" (3PMS), the MaxClimate delivers confidence when severe snow traction is needed. Engineered to provide a smooth and quiet ride, while providing responsive handling in wet, dry and wintry conditions.

FEATURES / BENEFITS

3-Peak Mountain Snowflake

Full-depth, zig-zag sipes provide additional biting edges and traction to achieve this severe weather certification

Handling and Comfort

Asymmetric tread design offers responsive handling and touring-style comfort, with increased wet and snow driving confidence

Water Evacuation Grooves

Channels redistribute water away from the tire contact area in wet and slushy conditions
